

2002 ILLINOIS QSO PARTY RESULTS

sponsored by the Radio Amateur Megacycle Society on October 20, 2002

Excellent band conditions and lots of mobiles & portables resulted in our best turnout ever. A total of 136 logs were received. Many DX stations actively participated, which was a welcome change from the poor propagation of 2001. Mobiles reported being surprised to hear DX calling them on 40m in the late afternoon!

New record scores were set in the IL Fixed, IL Mobile, and Outside-IL categories. Congratulations to K9ZO, KF9D, and NEØP respectively. The Western Illinois ARC won the Club category and came within a whisker of breaking the record set by the Fox River Radio League in 2000.

The highest number of IL counties worked was reported by K4XU with 88. It does appear that all 102 counties were put on the air.

Thanks to everyone for making the 2002 ILQP an exciting event, especially those ops who came from out of state to put more IL counties on the air. Further discussion of the contest can be found on the ILQSO email reflector. Sign up at

Hope to CU all next October. 73, Joe K9LY - RAMS
