

# 2003 ILLINOIS QSO PARTY RESULTS

*sponsored by the Radio Amateur Megacycle Society on October 19, 2003*

Propagation was down compared to 2002, but we all knew that would be a tough act to follow! The enthusiasm of ILQP participants remained strong as ever. A total of 139 logs were received. No records were broken but scores were still very solid.

Congratulations to K9ZO, KF9D, KN9T, and WA3HAE for taking first place in their respective categories. The Club category saw strong efforts from three groups who got 9 or more of their club members active in the contest. Congrats to the Green River Valley ARS for taking first place in the Club category and coming very close to the record that was set in 2000. The Western Illinois ARC had an excellent showing and was not very far behind the leader. The Moultrie Amateur Radio Klub was also well represented. Members of the Big Thunder ARC banded together and put on a multi-op station. It's good to see such active club participation. Impressive QRP scores were reported by K9IUA (mobile, no less!) and W8TM.

As usual, many contestants remarked about the large number of mobiles and portables who put so many counties on the air. Special thanks go to out-of-staters NY4N, KJ9C, and W3DYA for becoming IL hams for the day.

Thanks to everyone for making the 2003 ILQP a fun way to spend an autumn afternoon. Further discussion of the contest can be found on the ILQSO email reflector. Sign up at <http://mailman.qth.net/mailman/listinfo/ilqso>

Hope to CU all next October. 73, Joe K9LY - RAMS
